Dear Tower Supporter

**Join us for Trail Day on Saturday, June 6**

Here's a great way to help out with the trail to St Regis Mountain Fire Tower: I Mt. <http://saranalake6er.com/saranac-lake-6er-trail-day/>. Please sign up in volunteer help most efficiently. To sign up, email <[info@saranalake6er.com](mailto:info@saranalake6er.com)> and you specifically want to work on St Regis Mt. Meet at 8 AM, Saturday, June 6 for instructions for the day. Check for more details via the [website](#) and [Facebook](#)

The trail work being proposed is as follows;

Saint Regis Mountain Trail

This project will address a problem where hikers are using multiple routes to go will involve building 30 feet of bog bridging. Volunteers will need to carry lumber. Multiple trips from the road to the work site will probably be needed. Sills for the ground and decking will need to be nailed into the sills.

Materials:

Pressure treated lumber:

12 - 4×6 (cut to 4' lengths)

8 - 2×10 at 10'

Hardware: 4", 6", and 10" spikes

Tools: hammers, mattock, shovels, hoes

Number of volunteers: 6-10

Keep up to date via the [website](#) and [Facebook page](#).

We hope to see you there.

From the Friends of St. Regis Mt. Fire Tower Steering Committee.
